Dear Robert:

I have written on previous occasions concerning the above-named individual. It was indicated by newspaper clippings that he had been indicted last year on sexual abuse charges. We would now like to know if this matter has come to trial and what the outcome was; the sentencing will be most important to us in having a complete file and being able to refuse registration should attempts come from anywhere in the country.

We really need the outcome of these legal proceedings. If we may be of help to you, please let us know.

Sincerely,
